Minutes having been circulated to Councillors were signed by the Chairman as a true and correct record. No matters arising.

### **7. Members Declaration of Interest**

Howard Singh and Peter Royce are members of the Community Council Committee.

### **8. Updates**

- **Planning** - No applications received since last meeting -

- **Gt Whelnetham School -**

Terry reported that there would be a change of teacher in September. The school had linked up with Lawshall School and were working closely together in order to make savings. Following a review it transpires there would be a need for another 600 pupil upper school and this could well be in the Moreton Hall area, which, could possibly be a feeder for Gt Whelnetham. Terry would be 100% in favour of any such move. With schools having pupils up to age 11 years, stand-alone classrooms are being looked at, rather than extensions which would put pressure on existing systems.

- **Transport -**

Peter reported that other than the accident on the A134 in Sicklesmere last week there was nothing to report, other than the disregard for the diverted traffic through Gt Whelnetham by parents at the school.

Parking at the school was still an issue.

Chris commented that this must be a problem countywide and suggested we contact SALC to enquire as to whether there is National policy guidance in place. The Clerk will do this.

Chris reported that the speeding sign should be back round about 13<sup>th</sup> May. Terry still supporting scheme and feels there are at least five sites in village where these could be placed.

- **Housing -**

Chris reported that following information on the website as to the needs for local housing, four persons had lodged their details plus the Clerk had details of one further person. (Peter declared personal interest).

Chris supplied plans of the proposed Erskine Lodge development, which were discussed and the only objection was one block of flats being situated right on to the pavement. Chris would relay this objection to the architect.

- **Railway Walk -**

The Parish Council were continuing to work with Suffolk Wildlife Trust. A very successful day was held in April when 60 people attended an event along the line and good press was given to the event by both the EADT and Bury Free Press. The majority opinion was that it would be brilliant to develop an orchard and have parking places. The survey originally proposed has been carried out by SCC and over a 7 day period there were 7,000 car movements and only 1 was recorded as doing over 30 mph. therefore planning would be OK. Chris mentioned that SWT had received an objection from one nameless Little Whelnetham resident who in her opinion feels no children under 18 years should be allowed along the line, use should be restricted to Little Whelnetham residents only, gates at both ends should be locked and keys available to Little Whelnetham residents only This person was referred to Chris but he has heard nothing further

**10 Any other business**

The Clerk had received details from Suffolk County Council in relation to their Rights of Way Surface clearance programme giving locations of grass cutting.

Also a complaint had been received from a Tutelina Rise resident regarding lack of road naming signs. In view of the fact we did not get any cooperation from a previous request for School Cottages, it was agreed we should look into providing these ourselves. Rob to obtain estimates.

The clerk has received another request from Little Whelnetham Parochial Church Council for funding towards their churchyard grass cutting. After discussion it was suggested maybe we could get a quote from Tom for two cuts in a year rather than giving a lump sum.

As there was no further business the meeting closed at 9.10 p.m.

**Next meeting 11<sup>th</sup> July 2013 at 7.30 pm**

**Signed Chairman**
