Public Question time

Police Matters

Although not attending, the Clerk had received a report as follows –
Three crimes in Great Whelnetham –

Minutes of Meeting held on 12th September and matters arising

Minutes having been circulated to Councillors were signed by the Chairman as a true and correct record. Any matter arising would be discussed during the course of the meeting.

Chairman's Report

Chris confirmed that all Councillors had completed the new Code of Conduct forms and so all were now fully compliant.

Chris and David had met with Tom Duchesne along the railway line who has now issued an estimate giving various options. The annual total would be £2,550 for an extensive maintenance plan to cut the main path four weekly (previously cut twice a year) cutting new walkways, looking after branches, cutting around benches and clearing and maintaining a path on the walk on the other side of the road in Little Whelnetham. Chris proposed that we should accept the full option. All agreed. Clerk to instruct Tom accordingly and obtain a key to the gate for him. Chris also mentioned that he has a meeting with the Suffolk Wildlife Trust on 1st October who are keen to make recommendations on development.

Chris again raised the question with Terry on the flashing speed sign. Terry advised this would be subject to Traffic Regulation Orders. A mobile type would be in the

region of £2,600 and would not be difficult to move. In any event the County are in the process of pursuing a scheme.

Peter had raised various queries prior to the meeting and Chris addressed these as follows –

Website – a total of 2,400 hits so far, an average of 8-9 per day.

Children playing in road in front of cars - as matter has been reported to police, nothing more Parish Council can do.

Ground by river bank opposite Pot Office – not sure who is the owner

Parking outside school – this is a long ongoing problem

Grit bin being tipped over – Clerk to ask Tom to anchor this down

Members Declaration of Interest

Howard Singh is a member of the Community Council Committee.

The Clerk reported that the audit documents had now been returned by BDO and they had no issues to raise.

Correspondence

The Clerk had been in communication with St Edmundsbury regarding a requested name sign outside of School Cottages. They state the responsibility is with Havebury. However, Havebury have referred the matter back to St Edmundsbury and are awaiting a response. Rob confirmed living in the location it is very difficult for deliveries without a name sign. Chris therefore suggested we might erect our own sign and nominated Rob to make enquiries regarding cost etc.

With regard to “A” boards for advertising, the Clerk has had a reply from Suffolk County Council and the ruling is that if there are illegal signs they can be stickered to be taken down, and if they are not taken down by the owners, then they will remove them. After discussion, it was agreed it would be prudent to request the offending signs be removed (Cleaning Services, Printing and Rushbrooke Arms).

Howard had received a letter showing appreciation from Mrs Wendy Beales for his efforts in getting the pathways in the St Thomas’s Way area repaired. Chris thanked Howard for doing so.

10 Any other business

The Clerk reported that the renewal invitation had been received from Zurich at a figure of £361.41. This was less than last year (£395.70) and for exactly the same cover. Agreed therefore to renew.

Rob enquired as to the land ownership of the Parish Council. Chris confirmed this was the Railway Line Walk and the playing field at the Community Centre.

David has received an annual inspection report of the play area from a company in Dorset. They make the suggestion that the entrance gate should be in a different colour to the fencing to be easily identified. It was generally felt this was unnecessary.

As there was no further business the meeting closed at 9.10 p.m.

Next meeting at 7.30 pm
